

Screen Sharing

Collaboration is essential to the planning process but meeting in person may not always be possible. With our state-of-the-art and interactive screen sharing capability available through your Personal Financial website, you'll have the flexibility to connect with us from wherever you are.

1. Click the Join Screen Share Session link located at the bottom of your Personal Financial website

2. Enter the session password that we provide at the start of the meeting

3. View our screen and have the ability to be the presenter
